

Vendor Commercial Quotation - VRLA Battery Array

Supplier: VEND-SCHNEIDER | Target Equipment: EQ-BATT-404

This quotation addresses requirements REQ-BATT-001 and REQ-BATT-002.

Financial Line Items: Emergency cell deployment bundle delivery matches project requirements.

Autonomy Benchmarks: Confirmed standalone reserve coverage holds for 16.5 minutes at nominal discharge rates.

Environmental Rating: Cells are manufacturer-rated for a stable operating range of 0C to 28C ambient, wider than the standard commercial VRLA range.

Req ID	Parameter	Value	Notes / Tolerance
REQ-BATT-001	Autonomy Delivered	16.5 minutes	Exceeds 15 min mandate
	Cell Chemistry	VRLA	Matches spec
REQ-BATT-002	Ambient Operating Rating	0 C to 28 C	Wider than client's 22C +/- 2C design point
	Unit Price (per cell)	INR 18,400	Quoted, ex-works
	Lead Time	6 weeks	Ex-factory Hyderabad
